(1) INFORMATION WITH RESPECT TO CERTAIN SECURITIES

(A) Subordinated Debt Warrants:

Each Subordinated Debt Warrant entitles the holder thereof to three shares (each share a “Share”) of Telenet Group Holding NV (“Telenet Group Holding”) upon payment of an exercise price of €40. Alternatively, holders may opt for a “cashless” exercise of the Subordinated Debt Warrants. In such a case, they will be entitled to acquire a reduced number of Shares, using the value of their warrants (measured by the market value of the Shares at the time of exercise less the exercise price of the warrants) to acquire Shares at their market value. Transfers of the Subordinated Debt Warrants are subject to the same restrictions on transfers applicable to Shares under the Syndicate Agreement (as defined below). The Shares obtained by Syndicate Shareholders (other than Evercore, CDPQ and MLPE) upon exercise of the warrants are subject to the terms of the Syndicate Agreement, including the restrictions on transfers. The warrants can be exercised at any time during the exercise period ending on August 9, 2009.

(B) Profit Certificate Options

Telenet Group Holding adopted employee plans pursuant to which 1,500,000 rights have been issued (the “Class A Options”) which entitle the holders thereof to subscribe for Class A profit certificates of Telenet Group Holding (the “Class A Profit Certificates”), respectively 1,083,000 rights have been issued (the “Class B Options”) to subscribe for Class B profit certificates of Telenet Group Holding (the “Class B Profit Certificates”). The Class A and the Class B Options must be exercised in multiples of three, giving the right to acquire three Class A Profit Certificates against payment of €20 or three Class B Profit Certificates for €25. The HRO Committee of Telenet Group Holding determines the vesting scheme of the options at the time of grant. The HRO Committee can decide that a certain percentage of the options or, in certain circumstances, all of the options, will immediately vest and become exercisable. The portion of the options that does not immediately vest will generally vest in equal installments over a period of time following the grant, being 36 equal installments in the case of Class A Options and 48 equal installments in the case of Class B Options. In accordance with the terms of the grants, the Board of Directors of Telenet Group Holding decided at its September 2, 2005 meeting, on the advice of the HRO Committee, to accelerate vesting of a portion of the Class B Options, bringing the vesting date forward to September 22, 2005 for 122,076 of the Class B Options that had not yet vested. The Class A Options vesting scheme may be accelerated in the case of an initial public offering or a change of control. The exercise period for the Class A and the Class B Options ends on June 15, 2009 and December 22, 2009, respectively.

The Class A and the Class B Profit Certificates obtained following exercise of the options do not represent the share capital of Telenet Group Holding and do not carry voting rights or give right to attend the general shareholders’ meeting, except in certain limited circumstances provided by the Belgian Company Code. The certificates give a right to dividend, if any, and any other distribution on equal footing with other Telenet Group Holding Shares as from the year of exercise of the Class A or B Option.

Holders of Class A and B Profit Certificates are entitled to convert their Class A and Class B Profit Certificates into Shares of Telenet Group Holding as from the fifth month following exercise of the relevant Class A or Class B Options. Each certificate gives right to one Share.

(C) BCI Call Options

The options (the “BCI Call Options”) can be exercised at €25 and €20 per option, each giving the right to acquire one Share. The BCI Call Options are subject to three different exercise periods:

- (i) an initial option period ending on August 9, 2007 and allowing BCI to acquire up to 10,093,041

Shares (the “Initial Period Options”), (ii) an extended option period expiring on August 9, 2009 and covering up to 8,575,785 Shares (the “Extended Period Options”) and (iii) a new option period covering up to 6,750,000 Shares (the “New Period Options”). The exercise period for the New Option Period Shares expires on the earlier of (i) August 9, 2009, (ii) 18 months after the Shares have traded at or above €20 for 30 consecutive days, (iii) 18 months after a trade sale or a transaction or series of related transactions directly or indirectly consisting in the transfer of 15% of the outstanding Shares to a person at a consideration at or above €20 per Share, or (iv) 15 days after a trade sale as a result of which a person and its affiliates would own more than 50% of the outstanding Shares.

The options can be exercised at any time prior to expiration of the relevant period. BCI may elect to exercise options falling under either of the three categories, either jointly or separately. In the case of partial exercises that do not solely relate to New Period Options, however, certain provisions specify the proportions according to which the exercises must be allocated among the three categories of options. One of the provisions requires that if the options are exercised during the exercise period of the Initial Option Period ending on August 9, 2007, the options must be exercised in the same proportion to, on the one hand, the Initial Option Period Options and the Extended Option Period Options, and on the other hand, the New Option Period Options, unless solely the New Option Period Options are exercised. The option agreement stipulates that the underlying Shares can only be transferred in accordance with the transfer restrictions set forth in the Syndicate Agreement.

Effective November 13, 2006, BCI exercised the New Period Options. BCI exercised the Initial Period Options and the Extended Period Options on 20 June 2007. BCI and LGI Ventures BV agreed that the shares would directly be transferred to LGI Ventures BV. The transfer of title in relation to the shares occurred on July 4, 2007. As a result thereof, no BCI Call Options remain outstanding as per July 4, 2007.

In the tables shown in the next sections, negative Share numbers listed in connection with the BCI Call Options reflect, for information purposes only, the number of Shares that are subject to the option, whereas positive Share numbers reflect the number of Shares that can be acquired upon exercise of the options. For the avoidance of doubt, unless indicated otherwise, negative Share numbers reflecting Shares to be disposed of upon exercise of the options are not included in the total of financial instruments held by a party or a group of parties.

5. Additional information to be provided if the number of securities held is equal to or greater than 20 % (see Article 8, § 1, paragraph 3, of the Royal Decree of 10 May 1989)

a. Description of the overall strategy in the course of which the acquisition or sale is made:

(a) **Syndicate Agreement**

The Mixed Intercommunales (“MICs”), Interkabel Vlaanderen CVBA (“Interkabel”), GIMV, the Financial Consortium and Electrabel NV (together, the “Belgian Shareholders”) and the Liberty Global Consortium (together with the Belgian Shareholders, the “Syndicate Shareholders”) entered into a Syndicate Agreement (the “Syndicate Agreement”). Electrabel NV currently holds no securities in Telenet group. The Syndicate Agreement sets forth provisions that govern the business purpose of the Telenet group, the composition of the Boards of Directors of the respective companies of the Telenet group and special voting majorities in respect of certain decisions of the Boards of Directors, including in respect of acquisitions, affiliate transactions, incurrence of debt, changes to the budget and the appointment of the Chief Executive Officer of the Telenet group. The Syndicate Agreement also contains certain voting rights and majority requirements for shareholders’ votes, restricts the transferability of the Shares that are held by the Syndicate Shareholders and includes rights of first offer and a right for Syndicate Shareholders to join in the case of any sales to third parties that would acquire a majority of the Shares. Furthermore, the agreement protects the Syndicate Shareholders against dilution. In particular, it contains restrictions on increases of the share capital of Telenet Group Holding and provides that, in circumstances where the Belgian Company Code does not grant existing shareholders preferential rights, the Syndicate Shareholders will not vote in favor of such capital increase unless they are given the ability to subscribe for Shares so as to enable them to maintain their stake. For further information with respect to the foregoing, reference is made to the Prospectus that has been prepared by Telenet Group Holding in connection with its IPO in 2005. As a result of the Syndicate Shareholders having entered into a Syndicate Agreement, the Syndicate Shareholders could be considered as parties acting in concert.

The Syndicate Agreement provides that if a Syndicate Shareholder (as an aggregation, to the extent such Syndicate Shareholder is part of an aggregation) ceases to own at least 3 percent of the outstanding Shares in Telenet Group Holding, the Syndicate Agreement shall no longer apply to such Syndicate Shareholder (or such aggregation), except for those provisions of the Syndicate Agreement which as per their explicit wording contemplate effectiveness after a person ceases to be a Syndicate Shareholder, each of which expressly continuing provisions shall continue to apply in accordance with its terms. As a result of the exercise of all BCI Options, this rule will apply to GIMV, Interkabel and the MICs, so that GIMV, Interkabel and the MICs are no longer a Syndicate Shareholder.

(b) Liberty Global Consortium

The Liberty Global Consortium is comprised of the Liberty Group, Evercore Capital Partners Cayman L.P., Evercore Capital Partners (NQ) Cayman L.P., Evercore Capital Offshore Partners Cayman L.P., Evercore Co-Investment Partnership Cayman L.P. (collectively, the “Evercore Entities”) and CDP Capital Communication Belgique Inc.

The Evercore Entities previously held Telenet Group Holding shares directly and economic interests in Telenet Group Holding shares held by InvestCo 1 (defined below), a member of the Liberty Global Consortium, but no longer do so, having sold such shares to LGI Ventures B.V. in November 2006. The Evercore Entities have economic interests in 7,597, and CDP Capital Communications Belgique Inc. has economic interests in 4,827, of the 38,841 Subordinated Debt Warrants issued by Telenet Group Holding that are held by InvestCo 1. Neither the Evercore Entities nor CDP Capital Communications Belgique Inc. own any economic interests or voting rights in the Telenet Group Holding shares held by the Liberty Group.

The Evercore Entities collectively own 731,768, and CDP Capital Communications Belgique Inc. owns 731,768, Subordinated Debt Warrants issued by Telenet Group Holding. Transfer of these Subordinated Debt Warrants, and any shares acquired after their exercise, is restricted under the shareholders agreement governing the InvestCos.

The Liberty Group comprises the affiliated persons LGI Ventures B.V., Belgian Cable Investors, InvestCo Belgian Cable 1 S.à r.l. (“InvestCo 1”) and InvestCo Belgian Cable 2 S.à r.l. (“InvestCo 2”; InvestCo 1 and InvestCo 2 are sometimes together referred to as the “InvestCos”). The Liberty Group has been structured so that LGI Ventures B.V. indirectly fully controls Belgian Cable Investors which in turn fully controls both of the InvestCos. As affiliated companies the members of the Liberty Group are considered as parties acting in concert. The ultimate parent company of the Liberty Group is Liberty Global Inc., a NASDAQ listed company.

BCI, the Evercore Entities and CDP Capital Communications Belgique Inc. have entered into a separate shareholders’ agreement containing certain arrangements relating to the shares and warrants held by the InvestCos in Telenet Group Holding concerning voting, transfer and other restrictions. As noted above, this shareholders agreement restricts transfers of 731,768 subordinated debt warrants separately owned by the Evercore Entities and the 731,768 subordinated debt warrants separately owned by CDP Capital Communications Belgique Inc. As a result of the Liberty Global Consortium members having entered into such shareholders’ agreement, the Liberty Global Consortium could be considered as acting in concert.

(c) **The present transparency declaration**

The present transparency declaration is filed, as a result of the acquisition of Telenet Group Holding shares by LGI Ventures BV, being the acquirer of the 18,668,826 shares in Telenet Group Holding that were still subject to the BCI Call Options. BCI has exercised these BCI Call Options on 20 June 2007. BCI and LGI Ventures BV agreed that the shares would directly be transferred to LGI Ventures BV. The transfer of title in relation to the shares occurred on 4 July 2007, i.e. after payment of the exercise price of 25 euro per share which needed to occur within 10 business days following the exercise in accordance with the terms governing the BCI Call Options. These acquisitions are in line with the policy of the Liberty Group to enhance the value of its investment in Telenet Group Holding.
